What you can expect...

- **Alignment** - In this session you will learn how to consistently walk in the Spirit, resulting in a sensitivity to hear God's voice, experience spiritual protection, and mature spiritually as a believer.
- **Consecration** - This teaching walks you through simple steps to consistently entrust every area of your life into the hands of God. He must be Lord of your life for you to experience deliverance.
- **Words** - The Bible teaches that we are in bondage because of the words of our own lips. In essence, we have cursed ourselves! During this third portion of our seminar, we learn how to dismantle these curses.
- **Cleansing** - Jesus has come to set the captives free! The focus of this session is to bring clarity to the topic of deliverance. You will be able to identify the areas of your soul where you have given the enemy a foothold and the right to bring torment to your daily life.
- **Cleansing Seminar Retreat** - After making the Cleansing Seminar's biblical truths a lifestyle, you are prepared to experience the supernatural ministry of deliverance. The session is a weekend ministry retreat where we invite the Holy Spirit to demonstrate his Love and power to minister freedom from bondage to rejection, fear, rebellion, sexual sins, drugs, and more!
